

INDEX TO VOLUME XXIX

Authors, Titles, and Subjects

- Abdominal pain in children, pupillary reactivity and, 111-120
- Abortion, therapeutic, children born after refusal of, 683
- ADAMS, J. E., *see* HOROWITZ, M. J.
- ADER, R.
Behavioral and physiological rhythms and the development of gastric erosions in the rat, 345-353
See FRIEDMAN, S. B.
- ADER, R., and PLAUT, S. M., Prenatal maternal stimulation and offspring behavior and susceptibility to gastric erosions (Abstract), 541
- Adjustment problems in juvenile diabetes, by C. R. SWIFT *et al.*, 555-571
- Adolescence
gastrointestinal epidemic in, among school-girls, 398
obesity in, personality and interest patterns of girls, 72-80
overbreathing epidemic in, among schoolgirls, 398
pregnancy in, suicidal attempts, 399
See also Children
- Affective disorders
childhood bereavement and, 186
mineral metabolism in, 89
17-OHCS and vanillylmandelic acid excretion in, 543-544
tryptophan metabolism in, 85
See also Depression
- AFFELDER, M. T., *see* FREEMAN, E. H.
- Aggression, extinction-induced, 89
- AGLE, D. P., RATNOFF, O. D., and WASMAN, M., Studies in autoerythrocyte sensitization: Induction of purpuric lesions by hypnotic suggestion, 491-503
- Agoraphobia, behavior therapy in, 184-185
- Airway resistance and emotional state in bronchial asthma, by E. HEIM *et al.*, 450-467
- Alcoholism
inheritance of, 400
serum osmolality in, 546-547
- Allergy
interaction of predisposing factors in, 572-585
personality variables and, 312-322
psychoanalytic explanation of, 684-685
- Amenorrhea in stress situation, psychological correlates of, 15-23
- Amnesia or reversal of forgetting by anticholinesterase, depending simply on time of injection, by J. A. DEUTSCH and S. F. LEIBOWITZ (Abstract), 189
- Analysis of the variability of blood pressure, pulse rate, and catecholamine responsiveness to noxious stimuli in identical and fraternal twins, by A. P. SHAPIRO *et al.* (Abstract), 548
- ANDERSON, L. S., *see* JACOBS, M. A.
- Angina pectoris, determinants of, 621-633
- Anorexia nervosa
comparison of treatments for, 296-297
differential diagnosis of, 189
family relationships in, 297
follow-up study of, 86
treatment regimen for, 188
- Anorexia nervosa: The course of 15 patients treated from 15 to 30 years previously, by R. F. FARQUHARSON and H. H. HYLAND (Abstract), 86
- Anorexia nervosa and its differential diagnosis, by H. BRUCH (Abstract), 189
- Anxiety
catecholamines and steroids and, related to test scores, 547-548
measured by forearm blood flow, 687
17-OHCS excretion and, 189
propranolol effect on, 295-296
tolerance for pain and, 103-110
uterine contractions and, 468-482
- Anxiety, defensiveness and 17-hydroxycorticosteroid excretion, by J. J. TECCE *et al.* (Abstract), 189
- Association between galvanic skin response and Rorschach performance, by D. W. FOREST and S. J. DIMOND, 676-682
- Asthma
airway resistance and emotional state in, 450-467
in children, psychophysiological reactivity, 526-536
- ATKINSON, R. M., and RINGUETTE, E. L., Survey of biographical and psychological features in extraordinary fatness, 121-133
- Autoerythrocyte sensitization, hypnosis in study of, 491-503
- Autonomic arousal
genetic differences in, in twin experiment, 548
problems of measurement of, 514-525
- Autonomic reaction magnitude and habituation to different voices, by B. GAVIRIA, 598-605

Pages 1-102, Jan.-Feb.; 103-200, Mar.-Apr.; 201-302, May-June; 303-406, July-Aug.; 407-554, Sept.-Oct.; 555-710, Nov.-Dec.

- AZRIN, N. H., HUTCHINSON, R. R., and HAKE, D. F., Extinction-induced aggression (Abstract), 89
- BAGG, C. E., and CROOKES, T. G., Palmar digital sweating in women suffering from depression (Abstract), 687
- BAHNSON, C. B., WARDWELL, W. I., and BAHNSON, M. B., Personality patterns in myocardial infarction: Preliminary findings from the southeastern Connecticut heart study (Abstract), 545-546
- BAKKER, C. B., and LEVENSON, R. M., Determinants of angina pectoris, 621-633
- BARBERO, G. J., *see* RUBIN, L. S.
